RE: **COMMUNICATIONS OFFICER**

The heading above is merely concerned.

I am Shabani Abdallah, graduated student from University of Dodoma taking B.Sc. Business Information Technology. I request for the job as Communications Officer. Am ready to work under pressure anywhere, I will be located in the ground of my field.

Attached resume includes all the details about my career and education background but here is a quick summary about myself that will highlight.

At my previous position as a Programmer at Micro Health Initiatives located at Moshi. I also provide first/second level of COMPUTER TECHNICIAN and COMPUTER SYSTEM SUPPORT at Chanika Health Center in use of GoT-HOMIS Software during my second-year field.

Current I am working as System Support Officer at CCBRT Hospital

I also have strong skills with PC hardware, Windows OS, MS Office, and be able to operate in a networked environment.

I am very much interested in speaking with you to discuss the value I can bring to Vandelay industries. I can be reached at the above telephone numbers

I hope my request will be considered.

Yours faithful,

S.A. Shabani
